

Folkestone hit form

The four teams battled it out again on an overcast afternoon. Anticipation filled the air. Maidstone A continued their good form over previous tournaments by cruising to a 22-3 win over East Kent Crusaders who were slow to get into their rhythm. Folkestone then underlined their determination and intent in the tournament by playing very strong offence against a weakened Maidstone B team. The final score 21-0 to East Kent Crusaders. Folkestone then continued their good form against a resurgent East Kent Crusaders. However the strong Folkestone attack carried them through with a 14-9 victory.

East Kent Crusaders then registered their only win of the tournament in a back and forth match with Maidstone B with both teams missing their chances. A tired East Kent mustered enough strength to put away the Maidstone B team in the final few minutes 9-2.

The main match of the tournament, Maidstone A and Folkestone took place with Folkestone starting out of the blocks quicker. The game was neck and neck until the 30s of the match where Folkestone foiled a Maidstone A fast break to win the game by counter attacking and scoring an easy lay-up securing a well deserved 18-15 win.
