

Folkestone continue form

The balance of power has changed as the season has gone on with Folkestone stating their intent that the last tournament win was no fluke. They continued to dominate the Maidstone teams.

The first match of the tournament was between Maidstone A and Folkestone with Folkestone fast off the blocks and taking their chances. Maidstone were slow to get into their stride missing some of their key playmakers. Folkestone maintained good defensive form which allowed them to create a small lead at halftime. The second half continued as the first with Folkestone dominating the offensive elements of the game while Maidstone continued to miss a number of great chances to get them back in the game. Final score Maidstone A 14 Folkestone 28.

Folkestone continued their good form against Maidstone B by starting out of the blocks faster and building up a quick lead after a few minutes. However Maidstone B fought back scoring two quick baskets to outline their intent. But the result was never in doubt and has Maidstone B ran out of steam Folkestone cruised to a 28-7 win.

The final match was between the Maidstone A and B teams. The first few minutes were close with both teams scoring good baskets. But as in the first game Maidstone A's experience shone through with them pulling away and registering a comfortable 22-5 win.
